

7th Nicholas Ryan Over Foundation Golf Tournament Eagles Crossing Golf Course – August 19, 2023

Sudden Cardiac Arrest is the leading cause of death in the United States. It takes more than 350,000 lives a year with 7,000 to 10,000 of those being children. We lose a young athlete every 2 days from Sudden Cardiac Arrest. In 2001 we lost our seemingly healthy son, Nick at the age of 20 to Sudden Cardiac Arrest. A year later we established the NRO Foundation and our mission is to educate the public on Sudden Cardiac Arrest in our youth, promote AEDs (automated external defibrillators) and training in how to use an AED and CPR. The NRO Foundation also feels youth need their hearts screened. Since starting the NRO Foundation in 2002 we have donated 150 AEDs to our community and held one heart screening event.

The NRO Foundation is hosting their 7th **NRO Foundation Golf Tournament** and all proceeds will go towards our South Central Pennsylvania Heart Safe Program.

Won't you please help support our mission by either donating an item for raffle prizes, hole prizes, monetary donation or sponsor a hole. Hole sponsorships can also be made in honor or memory of a loved one.
